- 18
- 1 Many people from across the world ~~has~~ **have** asked for countries to do more to stop climate change.
  - 2 Finding solutions to climate change could ~~to~~ make life better for people in many different ways.
  - 3 A lot of companies are now ~~work~~ **working** with the idea of “zero deforestation” in everything they do.
  - 4 We must ~~finding~~ **find** ways of living on the Earth without damaging it in the way we do today.
