4 Possible answers:

Name	What made them “originals”?	Problems / Reasons for (possible) failure
Dean Kamen	inventor of Segway; started inventing when he was sixteen; invented a wheelchair that could climb stairs	didn't ask for feedback
Carmen Medina	sharing documents online in CIA; created Intellipedia	didn't have power/status; the world wasn't ready for her idea
Martin Luther King, Jr.	took big risks; spoke publicly as part of the civil rights movement; helped black people reply to violence; worked very hard on speeches; procrastinated; was experimental	left things to the last minute; he changed things at the last minute; was a risk-taker
Lucy Stone	first woman in America to keep her own name after getting married; first woman in Massachusetts to earn a college degree; first American lecturer in women's rights; spoke in public when other women didn't; started the Woman's Journal; first woman to work full time for women's rights	was unable to build coalitions with other leaders
Jackie Robinson	Major League Baseball's first black player; is a person who takes action; refused to sit at the back of a bus with other African Americans	was a risk-taker
Edwin Land	man behind Polaroid; invented the light filter; hired a mixed group of individuals	didn't think digital photos would be good enough; didn't look outside his organization; wouldn't listen to any critics
Lewis Pugh	first person to do a long-distance swim across the North Pole	managing his own emotions; was a pessimist
