- 3 1 Winston knew that ~~no~~ **almost all the** parents in Oceania were afraid of their children.
2 The Thought Police ~~didn't allow~~ **encouraged** children to spy on their parents and report anything they did or said which was against Party rules.
3 Belonging to the Spies made the children love ~~their parents~~ **the Party and Big Brother** more than ~~the Party and Big Brother~~ **their parents**.
4 But they became ~~kind~~ **savage** and learned to ~~love~~ **hate** all the people who were called "enemies of the Party", like foreigners.
