Name:	

- 1 Read the questions. Choose the correct answers (a, b or c).
  - 1 What is the aim of Robert Walton's trip?
    - **a** To discover a way for ships to travel from Russia to the North Pole.
    - **b** To go to the North Pole by ship to search for people living there.
    - **c** To discover a way for ships to pass near the North Pole and go from the Atlantic Ocean to the Pacific Ocean.
  - 2 How does Robert feel?
    - **a** He is excited about the trip and is happy to spend some time alone.
    - **b** His is well, but feels very alone and misses having a friend to talk to.
    - **c** He feels very lonely and is thinking about returning to see his sister.
  - **3** Who did Robert rescue?
    - **a** A man on a sledge whose dogs were dead.
    - **b** A man walking on the ice with his dogs.
    - **c** A sick man lying on the ice asking for help.
  - 4 What does the man tell Robert?
    - **a** That he is full of regret and has lost everything.
    - **b** That he wants to be good friends with Robert.
    - **c** That he is tired of life and wants to die.

...../4

- 2 Match the two parts of sentences. Draw lines between them.
  - 1 He was extremely cold,
  - **2** If the man you are looking for is also travelling by sledge,
  - **3** Since arriving on the ship,
  - 4 We have talked a lot,
  - **5** If you listen to my story,
  - **6** I told him that

- **a** and I have discovered that he is extremely intelligent and interesting.
- **b** you will understand.
- **c** then I think we have seen him.
- **d** I wanted to help him.
- **e** so we immediately brought him on to the ship.
- **f** he has seemed upset and worried.

Who said these things? Write Victor or the monster.  1 "You created me, and so you must do this for me."  2 "Yet I am the one talking calmly and who wants to make peace."  3 "No! I will not do it. And I don't care what you do to me."  4 "I will live in peace, and you will never see me or hear from me again."  5 "If I do what you ask, will you promise me one thing?"  Read the text. Write T (true), F (false) or DS (does not say) next to the sentences below.  I was thinking about the monster. It had been about three years earlier that I had started to make the first creature in my laboratory in Ingolstadt. I had not known what he would be like, and I did not know what this female creature would be like either. My head was now full of questions. What would I do if the female creature was more dangerous than the first monster? He had promised to go far away, and keep away from people. But his new female friend had not. If she wanted to kill people, it would be ve difficult to stop her. What would the monster do if the new female hated him? What would happen if they had children together and created more dangerous monsters? I suddenly saw the seriousness of what I was doing, and I felt sick. Could I refuse to do it? If I decided wrongly, perhaps many more back things would happen.  1 Victor had started to make the female monster three years earlier.  2 Victor knew what the female creature would be like.  3 Victor has lots of questions and does not know what to do.  4 Victor feels miserable living in Scotland by himself.  5 Victor thinks that more bad things could happen if he does not make the right decision.
