## During-reading questions

### CHAPTER ONE

- 1 Because they are making no noise.
- 2 Because he has brought food for the lions.
- 3 Because he is watching Terrence, and his tail is moving quickly from side to side.
- 4 They kill a man on the golf course.

### CHAPTER TWO

- 1 **Model answer:** It means "Human-Animal Conflict". Oz believes in it because animals are starting to show angry and violent behavior toward humans. For example, in Australia, attacks from dogs and cats are up by 20%. In Beijing, it is 34%. In England, more than 4,000 people went to hospital because of dog bites last year.
- 2 Man Against Nature
- 3 He watches reports about animal attacks around the world.
- 4 He is a monkey.

### CHAPTER THREE

- 1 He lives in Botswana and knows a lot about lions.
- 2 Because he is late.
- 3 Because the lions' behavior there is wrong. They have started killing and eating people.
- 4 She does not want to continue being Oz's girlfriend.

### CHAPTER FOUR

- 1 He cannot find his brother.
- 2 They see a woman's dress with blood on it, and other clothes on the ground.

- 3 He filmed the attack and wants evidence of the lions' behavior.

### CHAPTER FIVE

- 1 Ants
- 2 He pushes the dead buffalo in the water and the crocodiles swim toward it while she swims out of the water.
- 3 She is a scientist from Paris. She is there to study birds.

### CHAPTER SIX

- 1 Because he needs help and wants to talk about different ideas. Later, he will meet the Senator, and he wants to be ready. Other scientists are at the meeting.
- 2 Because he thinks about Natalie.

### CHAPTER SEVEN

- 1 The media, and some scientists from last night's meeting.
- 2 Because he is a blogger who writes crazy ideas about animals.
- 3 Because he takes the woman's microphone and starts telling people about HAC.
- 4 That Attila has gone crazy and killed Natalie.

### CHAPTER EIGHT

- 1 Because HAC has come to America.
- 2 Because it is going somewhere.
- 3 He thinks that pheromones have caused HAC.

### CHAPTER NINE

- 1 Because human behavior has not changed.
- 2 She gives him an idea about pollution.
- 3 Because people started using them at the same time as the animal attacks started.
- 4 Because the family dog killed her daughter.

- 5 He believes they have to take pollution out of the environment. People must stop driving, stop using cell phones, and stop using electricity for two weeks.

### CHAPTER TEN

- 1 Attila and two other monkeys break the window to her apartment and get in.
- 2 Because he smells Oz and remembers him. He does not want to attack Chloe now.
- 3 Every plane, car, and factory in the United States stops moving, and people stop talking on their cell phones. All over the world, animals start leaving the cities.
- 4 Because if he travels, everyone will start traveling.
- 5 Because the animals are attacking people in the United States, and people are attacking other people.

### After-reading questions

- 1 *Reader's own answers.*
- 2 Because she has done badly in her exam because she isn't studying hard enough.
- 3 *Reader's own answers.*
- 4 **Model answer:** The ants do not think. They follow the smell of pheromones until they die. It is like people and electricity. They do the same as other people and do not think, and because of this they will die.
- 5 **Model answer:** Maybe Chloe is dead.
- 6 He goes crazy, kills Natalie, and leaves the apartment. He comes back later with other monkeys to attack Chloe and Eli, but he smells Oz and this stops him. He leaves again.
- 7 *Reader's own answer.*
