2a Model answers:

Lee and Rachel: Lee really likes Rachel, so they go on a date. They spend time together and they are very happy.

Elle and Cody: They go on a date, but Elle discovers that they like different things. They stay friends.

Elle and Noah: They kiss at the kissing booth and they fall in love, but they do not tell people that they are together. They break up with each other after Lee catches them together. Then they get back together.
