**3** **Model answers:**

| | Who are they? | What is happening? | Why is it important? |
|---|---|---|---|
| | Artemis, Butler and Holly | Butler is shooting Holly with a dart to catch her. | Because it allows Artemis to get gold from the fairies. |
| | Commander Root | He is escaping a bomb on the ship he was following. | Because Artemis has escaped with Holly. |
| | Captain Kelp and his LEP Retrieval Squad | They are trying to save Holly from Fowl Manor. | It is when they understand that Artemis Fowl is one step ahead of them. |
| | Mulch the dwarf | He is looking in the safe at Fowl Manor. | He is trying to save Holly when he finds the Book, which tells Fowl so much about the fairies. |
| | Holly and Juliet | Juliet takes off her sunglasses to look at Holly. | This is a mistake because Holly can now use the mesmer on her. |
