**3**

- 4** 1 Luthor      2 Luthor      3 David  
 4 David      5 Luthor      6 David  
 7 David      8 David      9 Luthor  
 10 David      11 Luthor      12 David

**5a Model answers:**

David is more stressed than Luthor.  
 Luthor is more dangerous than Jumkin.  
 KL is the most friendly.  
 Luthor is more submissive than David.  
 KL is more intelligent than Jumkin.

**5b**

<b>David</b>	David needed a lot of rest but he was still the alpha male. He had KL and other friends to help him. He also had a son.
<b>KL</b>	He helped David keep his place as alpha male.
<b>Luthor</b>	Luthor showed the other males that he was strong. In the end, he became submissive, then he tried to make friends with David but David turned away.
