Would you like to work for a film crew?

Could you live in a hot, rainy place with no friends or family for 12 months?

Can you take photos and write?

Do you love all animals?

Could you follow and watch animals for days and days?

Sleeping, eating and moving are not easy in the national park because there are bad roads and no hotels.

You cannot go out at night because of the animals, and you must often stay in a small place with the film crew.

Could you live with that?

If the answer is yes, email dynasties2@bbc.com
