| <p>Thanks for the letter. My boyfriend brought it to me in the hospital. You introduced yourself to me so formally – you don't know that we still have a relationship. That makes me sad every time. Are you OK? You sound very worried about Mum and your dad not coming home. I'm sorry – I got more ill just as they were leaving to come back to you. But they're fine, so don't worry about them. You're in Penzance with your friend, aren't you? Or have you gone on another adventure? Please reply. I need you to make me laugh during this terrible illness. Ask me lots of questions, like you always do.</p> | letter | Jacob to Flora | After he receives her letter in hospital. |
