Bronwyn's sister thinks people should be looking at Simon more. Jake: So the police still don't know what happened. Addy: 1_____ Jake: Why Simon? He's dead. Addy: Because the police might find suspects they haven't thought about—other people who had reasons for hating him. Jake: So they're saying Simon is the cause of all this? If people hadn't done horrible things, he wouldn't have started About That. You know that, Addy. Addy: 2 Jake: I didn't invite you here to argue with me. Addy: 3 Jake: Maybe I'm still worried about you. And I ought to know what's going on. I keep getting calls from reporters. Addy: 4 How can I? You cheated on me and lied about it, Addy. You're not who I thought you were. Jake: Addy: 5/5

He'd never had a girlfriend as far as I knew, and I wondered if he was trying to find out if I was gay. I was so worried that I got Vanessa to tell Simon he couldn't come to her after-prom party.
