1 One day your mum came to see me and told me I was your dad. She went away to have some time to think.

2 I was suddenly a single parent and I took you to Bar Belle to meet my friends. My girlfriend, Collette, wasn't very happy.

3 I wanted to be sure that you were my daughter, so we did a DNA test. I was really happy to hear that you were mine.

4 On my 18th birthday in Bar Belle, Josh was being really horrible to Uncle Adam and I didn't understand why.

5 Then Josh attacked Uncle Adam and hurt him. I couldn't do anything to help him.

6 Slowly Uncle Adam got better and that was mostly because of you and because of something Aunt Jackie said to me.
