

**Chapter 1 and Chapter 2**

There are not many real witches in the world today.

They always wear gloves even in the summer, and even in the house.

They have square feet.

They have very large nose holes.

They live in normal houses and do normal jobs.

To witches, children smell of dog poo.

**Chapter 9 and Chapter 10****Model answers:**

1 The Grand High Witch comes back to her hotel room.

2 The other witches are coming to get the police at that time.

3 I go into her room from her balcony.

4 I find a bottle of potion.

5 I bring the bottle back to our room with me.

6 One bottle is enough for 500 people. We use the bottle to turn all the witches into mice.
